

**GP details of the person requiring NDIS support**

Is this information important?	We recognise the health and disability needs and supports of each participant in the NDIS. A GP is an important member of a person's care team and we may need to communicate with the GP practice if a participant requires additional supports outside of the NDIS plan.

**What happens next?**

Please email this completed form along with the NDIS Plan to: [NDIS@hunterprimarycare.com.au](mailto:NDIS@hunterprimarycare.com.au). For any additional information or assistance with completing the form, contact Hunter Primary Care's friendly NDIS team on (02) 4925 2259.

**What happens after we receive your information?**

Once this referral is allocated to our Hunter Primary Care's NDIS team, we will make contact to develop a Service Agreement. The agreement will need to be approved and signed before any services commence. We will work with the NDIS participant and their decision maker to ensure the agreement meets their needs to organise the best supports available.
